Welcome to Temple Baptist Church of Rogers!

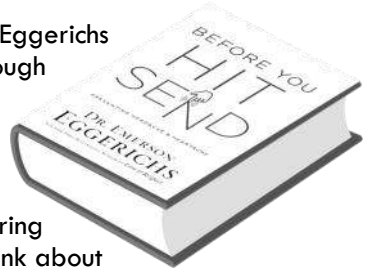

We are so glad that you have chosen to worship with us today. If this is your first time to be here, we ask that you let us know more about you by filling out a **Connection Card**. Again, thank you for joining us today, and we pray that your time here is a blessing!

We are starting a new, four-week study today called, **“Before You Hit Send.”** All of us—at one time or another—struggle with the way we react and respond to others. There are many things that “push our buttons” and in today’s society it is okay to react—publicly, passionately, without passing through a filter. Our comments on social media, at the beauty/barber shop, through texting or even simple handwritten notes have a greater impact than what we might realize. How do we know what to say? **Before we speak... Before we hit send... What things do we need to take into account?**

In his book, *Before You Hit Send*, Dr. Emerson Eggerichs addresses four basic issues that we must think through before communicating. Ask ourselves:

**Is it TRUE?
Is it KIND?**

**Is it NECESSARY?
Is it CLEAR?**

Over the next four weeks, we will be considering each of these topics. I would encourage you to think about purchasing a copy of this book for yourself as we go through this study. The book provides you with an opportunity for self-assessment and growth. It is available at Lifeway Christian Store for \$19.99, but they will honor the Amazon.com price if you show them a link from an Amazon supplier.

One other item, we wanted to let you know that **the Legacy Baptist Church of Rogers will be using our baptistry this afternoon at 2:00 PM.** We are excited that this young church has the need to baptize new believers and thankful that we can share our facility in this way!
