Welcome to Temple Baptist Church of Rogers!

We're so glad that you have come to worship with us today. If this is your first time to be our guest, we want to thank you for coming. We know how precious your time is, so we want you to know how honored we are that you have chosen to spend it with us. It is our prayer that God will speak to your heart today and you will be motivated to obey His calling on your life!

We also want to welcome everyone who is here today to celebrate Mother's Day with their mom. I know that your mother is happy to have you here with her. We want you to know that we are also happy you're here, and we want to invite you to come back again next week! And of course, we want to wish all of our mothers a **"Happy Mother's Day"**!

One of the goals of our church is to **Unite People to One Another** through spiritual formation and transparent relationships. One of the best places that this can happen is in a small group. **Are you currently involved in a small group?** Many of our small groups meet for Bible study on Sunday mornings, but we also have small groups that meet throughout the week. If you are interested in joining one of these Bible study groups, please speak to one of our pastors or contact the church office for more details!

Recently, our church began a **Community Prayer Line** for people to contact us with their prayer requests. So far we have had several individuals from the community share their burdens with us via text message. If you have friends or co-workers in need of prayer, invite them to text their requests to this number: **(479) 222-1164**. Thanks for sharing!
