# MARCH 15, 2020

## Welcome to Temple Baptist Church of Rogers!

We are blessed to have you with us in worship today! This past week has been a historic week. The church leaders want you to know that we are taking precautions for your health and well-being. We want to encourage everyone to be conscientious of others by respecting their personal space—a friendly smile and a wave can replace handshakes and hugs. We have also removed some of our sanctuary seating in order to give more space between rows and in the aisles. Of course, we want to caution everyone to stay home if you are sick or running fever. And for those who are more at risk from this virus, we want you to know that we understand if you choose to stay home as a preemptive measure.

As always, our sermons will be published to our website and on Apple Podcasts. If you are unable to attend a service, we encourage you to go online to hear this week's message. We are also taking steps toward LiveStreaming our services. We want to be prepared in case of government restrictions of large public meetings.

Also this afternoon, choir practice is at 4:45. If you are interested in joining this group to sing for Easter Sunday, we urge you to join us! It'll be great!

At the end of our service during the offering, our members will be signing in on the attendance forms on each aisle. If you are a guest here this morning, we would appreciate you letting us know that you were here too! Thank you for sharing your prayer concerns with us on the sign-in sheet!
