

“...let every person be
quick to hear,
slow too speak,
slow to anger;
for the anger of man
does not produce
the righteousness of God.”

WOULD YOU PRAY?

What a great Vacation Bible School we are having! One more night to go! Again, thank you to all those who participated through giving of time and energy to make this happen. Whether through decorations, leading in song, cooking food, teaching lessons, taking care of our students, or participating in the skit—THANK YOU! We have loved on these children and this community. Keep praying for all those involved, especially the children.

Would you also continue to pray for all those effected by Covid? We are thankful for all the recoveries that God has delivered our Church, and pray God will continue to bless us in that way.

Also, please be in prayer for our mom's and dad's and teachers and students. School is upon us and there can be a lot of stress and anxiety wrapped up in that. You might be feeling stress of going back to school, maybe going to a new school, having to start work back up after a super quick summer, or maybe you just don't want to see your babies growing up. Whatever the case may be, remember to be in prayer for the person next to you during this new season. We often times can only see the burdens that we carry and rarely see the burdens that others are holding. Make sure love and patience are on your lips and be in prayer for your brother and sister. God bless and have a great week.
