## GIDEONS: LET'S SPREAD THE GOOD NEWS

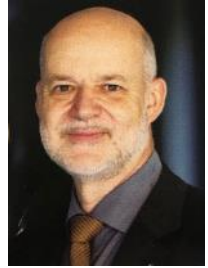

We are celebrating the ministry of Gideons International today! We are privileged to have **Walter Isenring** as our guest speaker. Since 2017, he has been serving as the **Senior Director** for the **International Outreach Division** of Gideons International.

Walter was born in 1957 and grew up in the picturesque countryside of Switzerland. After high school, he studied at the University of Bern and became a teacher of mathematics and natural sciences teaching in a variety of schools across Switzerland for more than 20 years. He has been married to his wife, Susanna, since 1985, and they have four adult children – two sons and two daughters.

Following a clear call to the mission field in 1996, he and his family moved to Albania and Kosovo.

Later, when back in Switzerland and working as a teacher, Walter became a member of The Gideons International in March 2005. He has served the Gideons as a camp officer and as a trainer for neighboring camps. In 2010, he was called to become the regional director for Europe West.

Walter and his wife live in a small town outside of Switzerland's capital of Bern. Please welcome him today!
