

A black cross is centered in the image, set against a background of a blue sky with scattered white clouds. The cross is simple, with a vertical post and a horizontal bar. The text is overlaid on the cross and sky.

BACK TO SCHOOL ALREADY?

Is summer really over? It doesn't seem like summer should be over just yet, but teachers are already back to work and our students will be returning this week!

Please keep all of these folks in your prayers! Some of our kids will be going to new schools, which is always difficult; and some of our teachers and school workers will be in new roles as well. The public school system is very different from what it was like when many of us were growing up. Please remember to pray for our teachers and students.
