GOOD MORNING, CHURCH! PASTOR DAVID HERE...

A few weeks ago, I had the honor of preaching about God's call to Engage our Community, which includes carrying on Christ's teaching and healing ministry. One of the ways we help "heal the sick" in today's world is by meeting felt needs of people around us.

Here at Temple, we seek to do this through our Benevolence Ministry. We set aside your specially designated gifts to be able to meet the needs of people within our community. We receive requests of all sizes, sometimes often, sometimes less often, but always trusting that each time God is presenting us with an opportunity to minister.

Why am I sharing all this? For one, because I covet your prayers! I want to minister with all compassion but also with all wisdom. I don't want to throw money at needs that aren't genuine!

Another reason I am sharing this is because I am in the middle of navigating a need and could use your help. We've received a request from a family working hard to piece their life back together. They have sought our help securing the remaining funds for a home to rent and other basic necessities. If you sense God leading you to give, either financially or in some other way, please contact me and together we can help "heal the sick."
