

A sunset over a beach with large text overlay. The sun is low on the horizon, casting a golden glow over the water and sky. The sky is filled with soft, golden clouds. The water is calm, reflecting the light of the sun. The beach in the foreground is sandy and has some small rocks or shells scattered on it. The text "God is light" is overlaid on the image. "God" is in a large, dark, sans-serif font. "is" is in a smaller, dark, sans-serif font, centered within the second 'o' of "God". "light" is in a white, cursive script font with a yellow glow effect.

God
is
light

and in him there is
no darkness at all

For the past month in Kids Time, our older group of kids have been learning all about worship. This is the reason they have been joining us during the first portion of the worship time in October.

After singing with us, they would return to the education building where they were taught the meaning behind the lyrics of one of our new favorite songs— "His Mercy Is More."

This song is rich in theological depth and meaning. So, each week our little guys have been studying about the meaning behind the words of this song that they are leading for us today!
