DECEMBER 24TH • 5:00-6:00

On Sunday (December 29), we will be having our regularly scheduled fellowship meal, but we want to encourage you to bring something in a crockpot—soup, chili, etc. And to help you in the sampling process, we would like to suggest that you also bring your own platter for sampling all the different varieties of soups! In fact, we might have a prize for the person who brings the most unique sampling platter to the fellowship meal!

We want to encourage you to invite your friends, family, co-workers and neighbors to worship and celebrate with us just before sunset this **Christmas Eve**. This is an opportunity for them to hear the truth of the gospel through song and the teaching of the Word of God. The **insert** for this **bulletin** can serve as an **invitation**. Write a **personal note** on the back and let them know how much you would like them to join you for this service.

Who do you know that needs to hear the real meaning of Christmas this year? Will you invite them to come?
