Last May, we faced a thunderstorm that brought a tornado through the heart of Rogers. While many of our church family were affected by the damage, none lost quite as much as the Simpsons.

Three trees fell on their home forcing them to rebuild from the foundation up. It's been a difficult journey yet through it all, God has remained faithful. Now, their new home is almost finished!

As the Simpson's prepare to move into their new home, they find themselves lacking a few basic items that were lost in the storm. Though much has already been replaced, much is still needed.

If God so moves you, would you consider helping meet one of these needs? If you would like to more information about how you can help, please see Bro. Rick Johnson.
