

A dramatic seascape with a cloudy sky and a sun reflecting on the water. The sun is positioned in the upper center, creating a bright lens flare and illuminating the clouds. The water is dark blue with white-capped waves breaking in the distance. The foreground shows the calm surface of the water reflecting the sky and the sun's light.

But you are not in the flesh
but in the Spirit, if indeed the
Spirit of God
dwells in you.

In just a few months, our volunteer missionaries will be making their way to the city of Hong Kong to carry the gospel to public school students and minister in a church plant that originated from the our mission work in the Philippines.

Carly Allen, Seth Fulfer and Joanna Allen are not here with us today because they are at a training retreat in Central Arkansas preparing for this trip. Please keep them in your prayers as they travel back to NWA this afternoon and as they continue preparing for their time serving the Lord in Hong Kong this summer.

Their host family in Hong Kong will be Changemaker Missionary, Jojo Vallejera, and his wife, Radarlyn. Pastor Jojo and Radarlyn have been dear friends of mine for almost 32 years. It is a tremendous

blessing to see how God has used this family in a special way over the years and I look forward to all the ways that He will continue to use them for His honor and glory!

We want to say "Thank you!" to all of you who have contributed to the cost of this trip. I am so very thankful to be a part of a church family that cares so much for one another and for missions!
